Important Communication to Member

- The Ministry of Corporate Affairs (MCA) has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating services of notice/documents including Annual Report can be sent by e-mail to its member. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holding with the Depository through their concerned Participants. Member who hold shares in physical form are requested to register their e-mail id with Company/ Registrar and Transfer and Agent, M/s. Link Intime India Private Limited.

- **RELAXATION FROM REQUIREMENT OF SENDING PHYSICAL COPIES OF ANNUAL REPORT TO SHAREHOLDERS:** In view of the CoVID-19 pandemic and vide SEBI Circular SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12.05.2020 SEBI had provided relaxations to listed entities, from compliance with the requirements of Regulations 36 (1)(b) and (c) and Regulation 58 (1)(b) &(c) of the SEBI (LODR) for listed entities who conduct their AGMs during the calendar year 2020 (i.e. till December 31, 2020). Hence Annual Report will be sent to shareholders who have registered their e-mail id with Company / Registrar and Transfer Agent.

- **Demat Your Shares**: Members are requested to convert their physical shareholding to demat/ electronic form through any of the nearest depository participants (DPs) to avoid the hassles as possibility of loss, mutilation, etc. and also to ensure safe and speedy transactions in the securities. Shares of the company compulsorily required to be traded in demat form. If you have not dematerialized your shares, you are requested to get the shares dematerialized at the earliest in your interest.

- **Register Nominations**: To help your successors get the shares transmitted in their favour, please register your nomination. Members desirous of availing this facility may submit nomination form which can be obtained from Link Intime India Private Limited. Members holding shares in dematerialized form are requested to register their nomination directly with their respective DPs.

COAL INDUSTRY

In India's energy sector, coal accounts for the majority of primary commercial energy supply. India is endowed with large quantum of coal reserves (315 BT) have been estimated by the Geological Survey of India, of which around 90% comprises non-coking coal. India is the world's fourth largest producer of coal, after China, the United States and Australia. India's coal production registered a negative growth of 5.3 per cent at 410.5 million tonnes (MT) in the first seven months of the current financial year (2019-2020) due to heavy and unseasonal rains.
The overall coal production in India during the last financial year stood at 730.4 million tonne (MT) displaying a growth of 8.1 per cent.

Today India is the 2nd largest producer of coal in the world producing about 730.4 Million Tonne (Mt) of Coal in 2019-20 despite being the second largest coal producing country in the world, India is dependent on imports to meet around 20–25% of its coal demand. India imported a total of 247.1 Million Ton of coal in the year 2019-20, 235.35 Million Ton of coal in the year 2018-19. In order to meet this massive demand and minimize the imports of coal (especially non-coking coal), the government has put coal production in the country on fast track and has set a target of 1.5 BT of domestic coal production in the years to come. The country has abundance of domestic coal and is grappling with slump in demand for the dry fuel.

The Centre has decided to bring to zero import of coal for blending purpose by domestic coal-based power plants in the current fiscal, and several initiatives are being taken for supply of domestic coal as import substitution.

"It has been decided to bring the level of import of coal for the purpose of blending by the domestic coal-based power plants to zero level in this fiscal," it said. The country has abundance of domestic coal and is grappling with slump in demand for the dry fuel.

In order to satisfy the coal demand, the Indian coal industry needs more investment and private players to raise their production level. The Government has taken initiatives by making Statutory Acts, with an objective of ensuring continuity in mining activities and production of coal and to promote optimum utilization of coal resources consistent with the requirement of the Industry. Steps as to develop better infrastructure of roadways and railways, augment infrastructure for logistics, smooth land acquisition, easy availability of water, capacity building and skill development, etc., are getting better by various projects and actions undertaken by the Government.

REAL ESTATE INDUSTRY

Real estate sector is one of the most globally recognized sectors. It comprises of four sub sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth in the corporate environment and the demand for office space as well as urban and semi-urban accommodations. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

Government Initiatives
Government of India along with the governments of respective States has taken several initiatives to encourage development in the sector. The Smart City Project, with a plan to build 100 smart cities, is a prime opportunity for real estate companies. Below are some of the other major Government initiatives:

- In order to revive around 1,600 stalled housing projects across top cities in the country, the Union Cabinet has approved the setting up of Rs 25,000 crore (US$ 3.58 billion) alternative investment fund (AIF).
- Under Pradhan Mantri Awas Yojana (Urban) (PMAY (U)), 1.12 crore houses have been sanctioned in urban areas, creating 1.20 crore jobs.

- Government has created an Affordable Housing Fund (AHF) in the National Housing Bank (NHB) with an initial corpus of Rs 10,000 crore (US$ 1.43 billion) using priority sector lending short fall of banks/financial institutions for micro financing of the HFCs.
- On February 29, 2020, India formally approved 417 special economic zones (SEZs), of which 238 were already in operation. Majority of the SEZs are in the IT/ ITeS sector.

2. OPPORTUNITIES & THREATS:

The Company's business comprises of two segment viz. Coal Trading and Infrastructure.

Demand of Coal mainly from Power Sector is growing rapidly and increasing government support will boost the coal production in the country. However bottlenecks like domestic coal transportation, lack of proper road connectivity, availability of railway wagons and mismatch of demand and supply of wagons and coal offtakes affect production capacity and delay in mining activities at captive coal blocks and concern relating to the increasing ash content of run – of – mine coal further impact production. Real estate is a capital and labour intensive industry, thus a rise in the cost of labour creates issues in the development of the project. Furthermore, pandemic COVID19 is also majorly hampered business opportunities and unfair practice of certain sections of distributors and cement industry by raising the price creates issues in the project completion.

In India, Coal is irreplaceable as prime energy and it would continue to be so in the foreseeable future. Admittedly, a conscious impetus is lad on alternative clean and renewable energy sources, especially solar. India target to add renewable energy. This move is in accordance with Paris protocol and certainly a welcome step as it would supplement coal's entirely substitute it.

There have been many reforms set by the government after COVID 19, to boost economy, including changes made in RERA and GST which have its effect on the industry. For both, home buyers and real estate developers, these reforms have changed the face of the industry. With complete transparency, home buyers and developers can have an easy business.

Real estate and Infrastructure sectors are getting major funding from foreign investor as per relaxation in Foreign Direct Investment (FDI) rules/ regulation implemented by India. With more and more FDI, government schemes and transparency, the real estate sector in India is set to change dramatically. Though there are challenges and opportunities for developers and home buyers, according to which they need to plan out for easy flow and have a positive long-term effect.

The Government has also facilitated the growth of the real estate sector by introducing massive changes in the taxation and regulatory aspects of real estate. The setting up of the RERA is one step towards streamlining real estate business and ensuring that the buyer gets full value for the money he/she is spending in acquiring a home. The RERA norms might be stringent but it has ensured lot of transparency in real estate dealings.

3. OUTLOOK

The economy is projected to shrink markedly in FY 2020 (April 2020 -March 2021) as Covid-19 containment measures hamper domestic activity and external demand. Moreover, a prolongation of lockdown measures and lack of further fiscal stimulus pose downside risks to the outlook.

GDP plunged at the sharpest pace on record in Q2 as lockdown measures decimated economic activity. Plummeting household spending and freefalling fixed investment led the downturn amid a spike in the unemployment rate and as non-essential businesses were forced to shut. That said, government consumption accelerated, while a steeper fall in imports led the external sector to positively contribute to GDP. Turning to Q3, the economy has gained some momentum but remains depressed due to a soaring number of new Covid-19 cases. Industrial production shrank at a less severe pace in July, while the services PMI gained some traction in August, although still signaled a deterioration in the services sector. On a brighter note, the manufacturing PMI rebounded in August, suggesting an expansion in activity. In the external arena, however, the decline in merchandise exports worsened in the same month, hinting at frail foreign demand.

COAL INDUSTRY

India is the world's third largest coal consumer behind China and the United States; and the share of coal in India's electricity mix has been rising. India's coal consumption was estimated at 790 million tonnes (or 516 million tonnes of coal equivalent (Mtce), around 10 per cent less than the United States (IEA 2014). Thermal coal accounts for around 85 per cent, or 665 million tonnes, of India's coal consumption. Metallurgical coal (80 million tonnes) and lignite (45 million tonnes) make up the balance.

The power sector accounts for more than 70 per cent of India's coal use and supported a five-fold increase in coal use in electricity generation over the past few decades. As such, the power sector is clearly central to the coal outlook in India. India's steel production has increased by around 25 per cent over the past five years to around 83 million tonnes in 2014. The cement industry, the second largest globally after China, is also a major coal user, accounting for around 5 per cent of total coal use. Other industrial sectors, including brick manufacture, consume small quantities of coal.

In the long term, India needs to take at coal to gas i.e. cleaner energy sources. Clean coal as an idea has huge potential in India because of the age and inefficiency of some of our plants. With government's efforts to push renewable energy due to international conventions on climate change, increase in carbon cess and other initiatives for lesser use of coal, there is a need for 'Vision 2030 for the coal sector', which takes into account the environmental factors such as reduction of carbon footprint, abatement of global warming. India's ambitious renewable energy goals have received a lot of international attention, but coal still provides half of India's commercial primary energy and is the dominant fuel for power generation. We expect coal to remain the dominant fuel in the power sector in India, through 2030 and beyond.

REAL ESTATE INDUSTRY

The Indian real estate market size is expected to touch US$ 180 billion by 2020. The housing sector alone contributes 5-6 per cent to the country's gross domestic product (GDP). Also, in the period FY 2008-2020, the market size of this sector is expected to increase at a compound annual growth rate (CAGR) of 11.2 per cent. Retail, hospitality and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs. If the economy grows at the rate of 10% the housing sector has the capacity to grow at 14% and generate 3.2 million new jobs over a decade. Private equity players are considering big investments, banks are giving loans to builders, and financial institutions are floating real estate funds. Indian property market is immensely promising and most sought after for a wide variety of reasons.

The Indian Real Estate Sector is currently witnessing a structural transformation towards being a complete organized sector. The transformation is due to multiple initiatives by the Government such as the Real Estate (Regulation and Development) Act, 2016 ['RERA'],

increased incentives for affordable housing like Pradhan Mantri Awas Yojana (PMAY), Credit-Linked Subsidy Scheme (CLSS), Real Estate Investment Trust Regulations, 2014 (REIT Regulations).

The Sector has been witnessing enhanced interest from Institutional capital owing to greater transparency, reforms such as RERA and REIT Regulations. The commercial sector continues to demonstrate immense potential while the residential sector is undergoing a short-term unpredictable disruption attributed to various reforms.

However, it is expected that these reforms are projected to augur well for industry in the long run. Interest rates are softening and the banks have started to pass this benefit to the customers. The sector will witness enhanced demand flowing in after the complete benefit is transferred to the customers.

Though, there are positive and negative things taking place during, real estate sector will face some challenges and opportunities throughout the year. The stakeholders are positive regards the residential new launches and sales in the coming six months largely on the back of stable prices and transparency induced by policy reforms such as RERA and GST.

4. INTERNAL CONTROL SYSTEMS:

The Company has a proper and adequate Internal Control System to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition, and those transactions are authorized, recorded and reported correctly.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **HEMANG RESOURCES LIMITED** ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Preparation

a) In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Accounting Standards) Amendment Rules, 2016 with effect from1st April, 2017. Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2020, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements".

b) The financial statements of the Company are prepared in accordance with the Ind AS on the accrual basis of accounting. Whereas there was NO material difference in compliance of GAAP and Ind AS, management has continued recognition of the items that affects with IND AS in the financial statement at historical cost.

c) The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest lakh, except otherwise indicated.

1.2 Use of estimates

The preparation of the financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

1.3 Revenue Recognition:

a. **Coal Trading:**

Revenue from sale of coal is recognized on the basis of dispatches made to customers, which is considered as transfer of ownership and represents amount billed for goods sold excluding Sales Tax/ VAT/GST.

b. Revenue from sale of coal on High Seas basis is accounted for on the basis of date of agreement entered with the customers during the year.

c. Claims received for rejection/ quality in coal sold are netted off from sales amount, except for the claim related to the previous year which is shown under selling & distribution.

d. Other Income -Cargo Handling charges is the amount recovered in excess of the amount paid by the Company for the services in proportion of the quantity dispatched.

e. Dividend income is accounted when the right to receive it is established.

1.4 Fixed Assets & Capital work-in-progress:

a. Fixed Assets are stated at cost less accumulated depreciation except otherwise stated. Costs of Fixed assets are arrived at after including therein attributable expenses for bringing the respective assets to working condition.

b. The company does not have any Capital Work-in-Progress.

1.5 Depreciation:

Depreciation on Fixed Assets is provided using Straight Line Method. The Fixed Assets are depreciated over the useful life prescribed in Schedule II of the Companies Act, 2013. Depreciable amount is calculated after considering 5% of original cost as residual value. No Depreciation has been charged on Land held as Investment Property.

1.6 Inventories:

a. **Imported Coal:** At Cost (including Direct Expenses with specific identification method) or Market Price, whichever is lower.

under section 34(12) of Gujarat Vat Act,2003. The Company has not accepted the above demand and filed a Writ Petition against the order before Gujarat High Court, Ahmedabad. However there is no provision required as per the management. The Management is of the opinion that no provision is required for such liability.

d. The Deputy Commissioner of Sales Tax, Chandrapur, has issued Penalty order of Rs. 0.28 Lakhs under section 61 (2) of MVAT Act towards late submission of VAT Audit report for the financial year 2007-08. The Company did not accept the above demand and filed an appeal before Joint Commissioner of Sales Tax (Appeal), Nagpur, Maharashtra. The appeal is pending before the Joint Commissioner. Against the said demand, the Company has paid a sum of Rs. 0.10 Lakhs, being part payment towards pending demand. However there is no provision required as per the management. The Management is of the opinion that no provision is required for such liability.

e. The Customs department has passed an order for the financial year 2013-14 and demanded differential duty, Interest and penalty on the ground that fake certificate of country of origin was produced based on which benefit of exemption taken for Rs.81.91 Lakhs. The Company has not accepted the above order and filed an appeal. The Company has already paid Bank Guarantee of Rs. 75.00 Lakhs with self-renewal clause. Against this demand, the company has paid a sum of Rs.1.99 Lakhs, being Pre-deposit of pending demand. The Management is of the opinion that no provision is required for such liability.

f. The Customs department has passed an order and demanded differential duty, interest and penalty amounting to Rs. 277.54 lakhs for the financial year 2012-13 on the ground of classification of Coal i.e. Bituminous Coal, whose GCV moist mineral matter free basis more than 5833 Kcal/kg. The Company did not accept the above order and filed an appeal. The company has paid a sum of Rs.22.30 Lakhs being Pre-deposit of pending demand. The Management is of the opinion that no provision is required for such liability.

g. The Customs department has passed an order and demanded differential duty and Interest amounting to Rs. 63.61 lakhs on the ground of classification of Coal i.e. Lignite coal, whose GCV moist mineral matter free basis less than 4614Kcal/Kg for the financial year 2014-15. The Company did not accepted the above orders and filed appeal before CESTAT, Bangalore. Against the said demand, the Company has paid a sum of Rs. 11.13 Lakhs being Pre-deposit of pending demand. The Management is of the opinion that no provision is required for such liability.

h. An Execution Petition No. 240/2011 filed by Vitol against Asian Natural Resources India Ltd. (ANRIL) is pending before the Bombay High Court. During pendency of the said execution petition 54300 MT of coal was imported by Sharp Corp in the vessel named MV Vishva Ekta which was discharged at Tuticorin Port. Hemang Resources Ltd. (HRL) entered into two HSS agreement with Sharp Corp for purchase of 34300 MT coal. At the instance of Vitol, Bombay High Court vide Judges order no. 215/2014 issued precept to Tuticorin Court for attachment of entire quantity of 54300 MT coal. Tuticorin Court vide order dated 22.12.2014 passed in EA No. 159/2014 attached the coal. Later on the Tuticorin court vide order dated 10.12.2015 released 20000 MT coal owned by Sharp Corp and the remaining quantity of 34300 MT coal remained attached.

On attachment of coal of HRL, HRL approached Bombay High Court for releasing the coal on the ground that, they are not party to the Execution Petition hence the coal owned by them cannot be attached. However the court dismissed their application against which they went in appeal. The Bombay High Court vide order dated 06.09.2016 passed in Appeal No. 794/2015 held that, " on account of various factors such as common directorships, interlocking shareholding HRL is not only part of ANRIL/BIL group, but are alter-egos" hence the attachment of coal was upheld.

That out of 34300 MT 17300 MT coal was auctioned to Global Coal Ventures Pvt. Ltd. in compliance to the order dated 16.11.2016 passed by Tuticorin Court and the balance coal of 17000 MT was also auctioned by the Court Receiver appointed by the Bombay High Court to Global Coal Ventures Pvt. Ltd. for a sum of Rs. 3,14,50,000/- which was deposited with the Court Receiver.

HRL had filed an application under Order 21 Rule 58 of Civil Procedure Code before Tuticorin Court claiming his title over the 34300 MT and also filed an application for transferring the said amount Rs. 3,14,50,000/- to Tuticorin Court. But both the said applications were returned back to HRL holding that the applications are not

maintainable. Against this order the management is in the process of filing petition before the Madurai High Court. The Management is hopeful of favorable orders from the higher courts and hence no provision has been made.

Further there was an order received from High Court of Judicature at Bombay Ordinary and Original Civil Jurisdiction Chamber Summons No. 1364 of 2018 in Execution Application No.240 of 2011 dated 10.01.2019, Global Coal Ventures Pvt Ltd has taken out chamber summons seeking refund of Rs.78,63,758/- as Global Coal Ventures Pvt Ltd had paid for 17000 Mt but got delivery of only 12,749.32 Mt and therefore Global Coal Ventures has paid for 4250.680 MT coal which the coal was not received.

Global Coal Ventures states that they have paid excess of Rs.78,63,758/- to the court receiver and therefore the said amount to be refunded.

The court was satisfied that the actual available quantity was 12749.32 Mt only and certainly Global Coal Ventures Pvt Ltd has paid excess a sum of Rs.78,63,758/- and therefore they are entitled to be refunded.

i. The Assistant Commissioner of Sales Tax, Surat has passed Assessment order along with demand notice for the financial year 2013-14 under Gujarat VAT Act, 2003 & CST Act, 2003 for Rs.1144.00 lakhs. 2.13 The balances of Sundry Debtors, other deposits and advances are subject to confirmation from respective parties. Letter seeking confirmations have been sent by the Company but some parties are still to confirm the balances. In view of confirmation not having been received from all customers, the balances under these heads have been shown as per the books of accounts and are subject to reconciliation, if any. However, in the opinion of the management, the respective assets have been shown in the Balance Sheet are according to their realizable value. The adjustment, if any on reconciliation which in the opinion of the management would not be material, would be made once the accounts are fully reconciled.

Sundry Debtors amounting to Rs.3132.95 Lakhs are outstanding more than 180 days. The management is of the opinion that whole amount will be recovered from parties so that the company has not created any provision on such debtor.
